Description and Details

Business LOGO – Business Cards – Business Stamps – Business Flyers – Business Car Magnets

LOGOs – All logos come with color, letters, background, and a text format. The price goes up when you add images or your business name to your logo. If the client wants to add their business name to the logo and would like to have it checked to make sure that no one else is in use of that name, we charge an additional \$100.00 fee. This is a great add-on feature to have if you're going to go into business with that name and start branding it on everything, it saves you time, money, and trouble.

Business Cards – Clients will receive 100 business cards with their business logo, name, phone number, email address, and website. Clients can choose to place whatever information they would like to have known on their business cards. For example, some clients may want to market their social media accounts on their cards or business address or maybe even a business phrase.

Business Stamp - The client will receive one business ink stamp with their name, business name, business address, e-mail address, paid sign, or whatever the client chooses to have placed on the stamp. **Please** take note that only three detailed items are allowed on each stamp, so please choose your information wisely.

Business Flyers – The client will receive a promotional flyer for their business with their business information and logo as well as images and details describing and promoting their business to their local customers or clients. We speak with the client to get a vision and perspective of their business and how they would like to approach and pitch their company to their client's/customers. The flyer is mailed or emailed to the client to make however many copies they choose to have made.

Business Car Magnet – The Client will receive two car magnets of equal size in whichever size they may choose. The car magnets come in five different sizes and allow the client to put their logo, business name, and phone number on the car magnet. The clients can place the magnets on their vehicle doors before traveling and can also remove them at night while sleeping. clients are able to take them off and place them back on however many times they like, or place them on another vehicle after all they are magnets.

Shipping Process – Shipping is based off the weight of packages, anything \$20.00 and under we will pay anything over \$20.00 we ask that the client be responsible and pay the shipping fee.
