

# Ambitiously Unique Administrative Assistant Team

## Business Consultant Strategy Plan

### OBJECTIVE

AUAAT objective is to evaluate the business by learning the goal and how the business operates to reach its goal. We seek out the business's weaknesses and strengths, from the incentive of the operation to economic losses and gains.

### CONSULTING HOURS

288 hrs. Divided into 4hr shifts = 72days (about 2 and a half months). AUAAT usage for the 72-days and 4hours shifts are divided into 4days a week on-site and in meetings (online and remote). The on-site process will be heavy at the beginning and end of the project. The middle of the project will continue on-site shifts. However, it will consume more remote and online meetings. If your business has more than 1shift, the 4hrs. Will be divided by shifts per day.
